Dear Sir:

This paper is responsive to the Notice of Dismissal of a petition to revive for non-receipt of papers by the Patent and Trademark Office.

Applicants request withdrawal of abandonment on the basis that Applicant did not intend to abandon the application. The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.

Applicants request that the Notice of Abandonment be withdrawn, that the Issue Fee be accepted and the patent expeditiously issued.

This application was filed after June 8, 1995, and, therefore, it is believe that a terminal disclaimer is not necessary.
